

A group of five diverse women are standing in front of a large banner for the Canadian Coalition for Global Health Research (CCGHR) and the Canadian Coalition for Research in Global Health (CCRSM). The banner features a circular logo with a green and white geometric pattern and the text "PROMOTING MORE EQUITY IN GLOBAL HEALTH RESEARCH AND BETTER HEALTH WORLDWIDE". Below the logo, the text "CCGHR CCRSM" is visible, along with "Canadian Coalition for Global Health Research" and "Coalition pour la recherche mondiale". The women are dressed in professional attire, including blazers, scarves, and a hijab. They are all smiling and looking towards the camera.
